**About Hospital/Clinic**

Copy about hospital’s/clinic’s background goes here. Keep this consistent throughout all media relations materials. See MMB's boilerplate below for reference.

**About Mothers’ Milk Bank**

A nonprofit program of Rocky Mountain Children’s Health Foundation, Mothers’ Milk Bank (MMB) collects, tests, processes and provides human donor milk to babies across the country. Babies who receive the milk may be premature or have severe illnesses and need human milk to thrive. MMB is one of the largest nonprofit milk banks in North America and adheres to the strict guidelines of the Human Milk Banking Association of North America (HMBANA).
